

NORDTREFFI 2019

## Welcome to Nordtreffi 2019 1.- 7.7.2019 in Evo

This year we are celebrating 50 years off Nordic friendship and it is time to come together and enjoy the Finnish way to organize a camp in a forest in Evo. Evo is between Lahti and Hämeenlinna, about 140 kilometers from Helsinki. There will be a bus transportation from Helsinki/Vantaa to the campsite and back. On the camp there will be a bit over 200 scouts.

The camp will have special programs for each age group, like 'water adventure', 'nord orbit', 'chaos therapy' and of course campfire each evening. We also have a small cafe/kiosk. 5KAMP will take place on Friday, and every camper is welcome to join. Saturday will be our market fair day with swapping possibilities and a late night disco, so on Sunday everyone is hopefully a bit exhausted and ready to go home.

Let's keep thumps up for sunny weather!
